WHY CAN'T WE ALL JUST GET ALONG

8 HRS

TCOLE 6046

During this course the student will learn some coping techniques when presenting with different types of personalities. They will be provided with information on generations in workplace dynamics. The trainee will leave with an understanding about themselves and how their personalities may affect the dynamics of the workplace. The information obtained in this class will help the student better understand personalities and ways to cope with peers in the workplace dynamics.
