Due to High Demand, TTPOA Region 2 will be hosting the Tactical Team Leader Course in Webster, Texas

Cost: \$400.00

Instructor: Carl Rogers McKinney Police Department SWAT Detail

Began his law enforcement career in 1993. Has been a certified officer in Oklahoma, Arkansas, and Texas. Started his SWAT career in 2000. Has also been employed as a contract instructor for the US Department of Energy-Office of Secure Transportation. He is currently a Team Commander with the McKinney Police Department.

The Tactical Team Leader Course is a 3 day course designed specifically to sharpen the leadership skills of assistant team leaders, team leaders, team commanders, and those who are in a leadership role or being groomed for leadership positions on the team. This course involves group discussion and is beneficial for building relationships with other team leaders. It also gives a behind the scenes look at how other teams are training, operating, and solving their own problems.

The course will cover:

- Standards
- Selection
- Policies

- Legal issues
- De-briefs
- Leadership Lessons Learned
- Warrant Planning
- Scouting
- Threat Assessments
- Barricaded Persons
- Hostage Rescue
- Administrative "Buy In"

Pre-requisites: Current member of Law Enforcement.

Equipment needed: Business casual, laptop recommended, note taking ability.
